

SAFETY **HOT** LINE

TO: ALL DEPARTMENTS RECEIVING MATERIAL SAFETY DATA SHEETS (MSDS's) - C1

Industrial Hygiene of Occupational Safety and Health Services is responsible for the management and maintenance of any Material Safety Data Sheets (MSDS's) that are received with incoming shipments of hazardous chemicals or otherwise received. Industrial Hygiene will ensure that the MSDS's are readily accessible to employees who may be exposed under normal conditions of use or in an emergency situation. Therefore, please forward all MSDS's received to : Industrial Hygiene - C1-P52 (9-19) x65141. Keep a copy of MSDS's for file of materials used in your department. Thank you for your cooperation regarding this matter.
